

# SIZE GUIDE

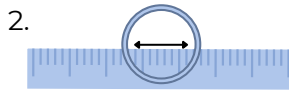

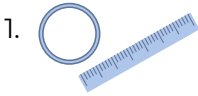

- Marahlago offers custom sizes at no extra cost.
- Custom orders take 8 to 10 weeks.
- We strongly recommend not resizing Marahlago jewelry as it can damage the stones.

## RING SIZE

If you don't have an existing ring to measure or don't know how to measure your finger, the most accurate way is to order a ring sizer on Amazon. Search for "Ring Sizer", it should look like this: They are around \$5.

If you have an existing ring to measure:

## BRACELET SIZE

Our standard bracelet size is for a wrist that measures between  $5\frac{3}{4}$  –  $6\frac{1}{4}$ . If your measurement falls outside of this range, order a custom size and enter your exact wrist measurement in the custom order field.

The yarn should be **snug** against the skin:  
not tight, not squeezed, and not loose.
